

Accommodation Information for Visitors to Quintic (CAD Schroer UK) Central Cambridge

CAD Schroer UK and its Quintic Division are located in the centre of Cambridge, on the city's ring road, by the River Cam, and within a 5-minute walk of the historic city centre. Cambridge is a popular tourist destination, and its hotel prices reflect that status. B&Bs tend to be the best value for money, as few Cambridge hotels are truly outstanding – prices merely reflect the prestigious location. The listed rates are guide prices only and subject to change. Booking through a hotel booking website rather than with the hotel directly will probably save you money (see links on page 2).
